

Decent Exposure

Monique, originally from Sudbury, Ontario, now resides in Picton Ontario, where she practices her career at Quinte Healthcare.

From very early on, she discovered her desire to sing and entertain. From successful bands, being a wedding singer, to recording radio jingles in her home town, she now focuses on writing and producing her own CD.

AL resides in Belleville, and began playing guitar at the age of 12. He has performed in a variety of choirs, and sang as a tenor in Belleville's own acapella quintet "Jazmin".

He has most recently performed on stage in various musicals, as well as a variety of other venues performing folk, country, and gospel songs.

The Duo "Decent Exposure" allows Al and Monique the opportunity to blend their talents acoustically!
