BAY OF QUINTE CHORUS - REGION 10 - SYRACUSE, NY - APRIL 2001

SWEET ADELINES
INTERNATIONAL

First chartered in 1975, **THE BAY OF QUINTE CHORUS** is proud to have a founding member still active in the chorus today! Singing, friendship and good times are the reasons most of our members join and stay with the organization.

We welcome female singers from age 16 and up to join our 20 member chorus in creating the distinctive sounds of four-part "a cappella" harmony, barbershop style. We sing modern, upbeat songs and ballads, a refreshing alternative to classical music. If you ask our members, they'll tell you that singing this style of music is a buzz!

We are a not-for-profit group and can't help sharing our love of harmony at private and civic functions, especially at Christmas, when we try to visit as many Retirement and Nursing Homes as possible. Thanks to the generosity of Quinte Gardens Retirement Residence in Belleville, we have a wonderful, new place to rehearse and host our monthly Guest Nights. Contact our Membership Chair, Sharon Love at (613) 473-2824, or to book us to perform for your event call Cheryl Street at (613) 475-5793.

Join the chorus, join the fun!
